

ZOOB AMAZING GIRL SCOUT RACE

Test your travel and relationship skills as your team travels across Michigan in pursuit of a terrific prize and the title, Amazing Girl Scout Race Champions. At each stop, you will receive a clue envelope telling you what to do and where to go next. Along the way you will encounter "detours", a choice between two tasks - each with their own pros and cons, and "roadblocks", a task that only 1-2 people can perform. Whoever gets to the "pit stop" with the shortest times on the day's activities (driving time is not a factor) wins that leg of the race! At each pit stop you will receive a rest period including time get to know the other teams, one or more meals, and a place to sleep. And so it goes, until the teams reach the finish line and the 2008 Amazing Girl Scout Race Champions are announced!

Each team must include two adults and two to three girls. Your event fee includes lodging, meals at the pit stop, cash for each leg of the race (for fees and food on the road), and all activities. Teams will provide their own vehicle, a debit/credit card for fuel, and a cell phone for emergencies. Fuel is not included in the event fee. Also, at least one adult needs to have current CPR/FA certification. The race will require a lot of walking, physical activity, and driving - teams must be in good physical shape and have a dependable vehicle.

Open to: Teams of 2 adults and 2-3 registered 6th - 12th grade Girl Scouts in Michigan

Date: BEGIN: Friday July 25th, 2008 at 10:00am in Harrison, Michigan.
