Girl Scouts of Western Ohio

Cookie Booth Basic Guidelines

- ✓ Let the manager/business owner know when you arrive, say thank you and good bye when you leave.
- ✓ Make sure you can be identified as Girl Scouts. By having the girls wear their uniforms or pins and displaying a sign, a customer can recognize you as a Girl Scout troop and go out of their way to approach the cookie booth.
- ✓ Girls should not rush over to, or harass, customers.
- ✓ Girls should not have friends who aren't Girl Scouts at the cookie booth. The girls should not be noisy.
- ✓ Girls should be eager and excited to tell others how monies will be used.
- ✓ Your troop should leave the cookie booth cleaner than when you arrived. Take all waste items home with you.
- ✓ Please follow *Safety-Wise* (pages 29 and 131) and safety standards 28 through 30.
